Ted, Phil, Tricia,

As I mentioned in earlier e-mail, the Vermont brownfields event has been rescheduled for September 13 at 2 PM in Springfield. Our Regional Administrator is scheduled to participate.

Again, the proposed location for the brownfields event is the parking lot outside the former Jones and Lamson Plant 1 site, at 160 Clinton St, Springfield VT.

This is one of the three major machine tooling businesses that once operated in Springfield and employed over 3000 people in the town. A nonprofit organization, the Springfield Regional Development Corporation (SRDC), owns the property and is receiving a \$200,000 cleanup grant for this site.

Ted, I understand that you will be attending representing Senator Leahy, you will be recognized to say a few words. Phil, I also understand that a representative from Senator Sanders' Office will be attending. Have you made a decision regarding the staff representative and would you like for the representative to be recognized to say a few words? Tricia, are you going to be able to attend or send another representative?

Thanks. Have a great day.
